Parents' suggestion 2021-22

পৰামৰ্শ/Suggestion
Good
Ltk college is overall a good institution. But strict rules for attendance to sit in examination are seems bit too far in todays world of Internet and ICTs. Institutions like Darrang college etc have no such mandatory attendance requirements. So i strongly appeal to the administration to look into that matter. Internal assessment should be linked with attendance not the eligibilty to attend examination.
