Teacher's Farewell Programme:

Departmental Farewell Programme of Vice Principal and Associate Professor of the Department of Economics Dr. Romesh Kumar Kakoti on 29th November 2021.

Mentorship of the Department of Economics, L.T.K College, Azad:

Mentorship by the Department:

Aims and objectives:

The department of Economics, L.T.K College, Azad offers mentorship programme to the weak (economically and mentally) and slow learner students. After the declaration of result the teachers of the department identify the poor performing students and provide mentorship to them. Moreover, those students who are irregular in class during the ongoing academic session are identified and the teachers visit the home of such students.

Outcome:

In the academic session 2016-17 one of our students Bitu Saikia had to be mentored because of his addiction of narcotic items, which affected negatively on his health and mental strength. The teachers of the department have to mentor him which results in his improvement. He later on passed out from this college securing 1st Class with distinction in the year 2017.

Lakhyajit Dutta, one of our students was also addicted to tobacco related materials which affected the health of the student. His behavioural changes were visible due to this. After the mentorship of the department of Economics, his behaviour and health was improved and later on after completion of the B.A he got employed as a Assistant Manager of Indusind bank, North Lakhimpur Branch.

Manosh Borah, a student from Arunachal Pradesh was irregular in the class was mentored by the department. He was very irregular in the first two semesters and his result was poor. After the mentorship by the department he passed out from the college securing 1st class in the year 2022.

Farewell of the Department: (2021-22)

The department of Economics, L.T.K College, Azad organized a farewell ceremony for the outgoing 6th semester students on 18/06/2022. There are 4 numbers of 6th semester students and they are felicitated by the teachers and 2nd and 4th semester students.
