DETAILMENT OF CTO/ANO

- A CATC Camp has been planned centrally by NCC Gp HQ, Tezpur from 28 Sep 2021 to 04 Oct 2021 for the Republic Day Parade in Jan 2022.
- The unit was asked to detail 01 x CTO/ANO for the camp for which the unit had approached the CTO/ANO from your Institute.
- It is very disheartening to note that the CTO has declined to attend the camp stating domestic issues or that she has attended a camp in 2019. The camp is being notified almost a month prior and the fact that CTO's are declining is not to good taste.
- Official detachments are going to come regularly and for the training year 2020-2021 and 2021-2022, due to Covid environment only one detachment has come. In a normal training year there will be more than 07-10 NCC Camps planned, in which a lady CTO/ANO are detailed.
- The unit cannot function if CTO/ANO decline such responsibilities and the willing CTO/ANO who volunteered cannot be detailed for all camps. The duties / responsibilities have to be shared.
- In view of the above, CTO/ANDs need to have a matured and responsible out-look to such detachment and CTOs have to come forward and complete their ANO training or else should relinquish their duties.
- This aspect is being brought to the light of the Principals also for a more delicate approach.
- This is for your info and necessary action please.

Report: Boginadi Soil under Forest Department located at the bank of Boginadi river under Lakhimpur district is often selected as one of the picnic spots by the people where every year people enjoy their weekends and organize picnics and get together programmes along with family and friends. The place is a small area with lots of valuable trees and greenery. But we have seen that people often come and enjoy there and throw away the plastic wastes everywhere and a very few realise the importance of a clean and plastic free life. Therefore, the LTK College NCC Unit organized a Cleanliness Drive so as to create some awareness amongst the people coming to celebrate their weekends and new year programmes. The positive outcome was that seeing the cadets cleaning the area many people participated with them in cleaning the surroundings, collecting plastics from the river water and gathering the plastic waste at a single place and burning away whatever was possible.
