Course Objective

The objective of this course is to facilitate paperless communication between the students and teachers. This course will enable participants to:
- What Google classroom is?
- How Google Classroom can be used within their own classes?
- How to use Google Meet inside the classroom?
- What is LMS?

Course Outcome

At the end of the programme teachers will be able to:
- Implement Google Classroom into their lessons..
- Invite/enroll students, post assignments, announcements and create assessments digitally.
- Track the performance of the students using various online tools .
- Integrate Google Meet and Google Classroom that will act as a dedicated meeting for classes.
- Create a thoughtful plan for an online learning experience

Activities & Project

Assignments will be of the following type:
- MCQ based questionnaire & Assignments (Based on Google Classroom & Google Meet).
- At the end of the course "Project" will be assigned to the participants.
